**RE:** 2006 Summer Food Service Week Proclamation

---

This year, Summer Food Service Week will take place from June 4-10, 2006. We are enclosing a proclamation, in English and Spanish, to help raise awareness of the Summer Food Service Program benefits, promote greater participation in communities, and most importantly, to increase the number of children who actually receive a healthy nutritious meal during the hot summer months.

We encourage you to use the proclamation as appropriate in conjunction with events that may be planned for that week. As you know, one of the primary objectives of the SFSP Outreach Initiative is to increase public awareness of the program at all levels.

In addition, please note that June 6, 2006 is America's Second Harvest's National Hunger Awareness Day. For more information on this national event and related activities in Arizona please visit [www.hungerday.org](http://www.hungerday.org).
